## Investor Details form

### Step A: Tax File Number / Australian Business Number (TFN/ABN)

Please record your TFN, ABN or the appropriate exemption information. If you are exempt, but have a TFN, it is safer to provide your TFN in case your circumstances change.

For securities held jointly, details of only two holders are required. If possible, you should give details of those securityholders with a TFN rather than those who are exempt.

For securities held on behalf of another person, such as a child or an aged or invalid person, enter the Trust TFN. If there is no Trust TFN, enter the Trustee's TFN or exemption. Where the investment is held by an adult for a child, the adult is the Trustee.

#### EXEMPTIONS

For details about who is exempt, please contact the Australian Taxation Office. To claim your exemption, please enter the code and number of the pension or benefit you receive from the following list:

Collection of Tax File Numbers is authorised and their use and disclosure are strictly regulated by the Tax Laws and the Privacy Act.

It is not an offence to withhold your TFN or, where the securities are held for a business purpose, your ABN. However, if you do not provide your TFN or ABN, tax may be deducted from payments of interest at the highest marginal rate.

This instruction will be applied in relation to the current and any future securities recorded in the register in respect of the specific holding identified by the Holder Reference Number and the name appearing on the front of this form.
